WELCOME TO THE BRAHMA SUITE

Dear Guests,

We would like to welcome you to our home in the lovely Paso Robles area.

Just about everything you would expect in a fine hotel, you'll find here. If not, please let us know so we can accommodate you and our future guests. The interior space was designed and furnished with your comfort in mind. The master bed has a Beauty Rest Black mattress, with a pillow top and added memory foam topper for an ultra-plush experience. There are a lot of other amenities to enjoy, like the private patio with fire table. We want you to have a relaxing and memorable stay, so please let us know if you need anything.

When you're not out exploring this amazingly beautiful area of the Central Coast and all it has to offer, please enjoy the fun things to do at our home. Enjoy the fire table and savor a bottle of local wine with a nice meal, dining al fresco under the stars on your private patio.

Or if a night indoors suits you better, enjoy a movie and some popcorn in your den with a warm soft blanket.

So enjoy! And if you love it as much as we do, please give us a nice review on VRBO, or Airbnb so others might also enjoy a stay here. We hope you will be back again soon.

With much appreciation,

Dave & Lizette Belmonte
